Christian Aid Worship

This morning Year 4 organised a “French Breakfast” inviting everyone into the Chapel to enjoy hot chocolate and a pastry for a £1 donation. This was followed by our Family Worship which was presented by our Year 4 children highlighting the essential work of the Christian Aid charity. With your help, they managed to raise £148.45. Thank you once again for your support.

GDPR – Photographs

Please find attached a copy of the school statement for your information.

Year 6 SATs

On Monday 14th, for 4 days, our Year 6 children joined thousands of other children across the country to participate in SATs week. On behalf of all the staff, we want to thank them and their families for the extra hard work they put into this term and their attitude to the tests by attending SATs clubs and sharing a joke over breakfast in the dining hall. This has been an incredibly successful week in terms of the children’s attitude and behaviour. Thank you.

Uniform

When our children are out and about, the public often comment on, not only their behaviour, but how smart they look in their school uniforms. We are very proud of this and appreciate that you observe our uniform policy. However, can we ask that you do not send your child to school in trainers, ankle boots and canvas shoes, especially those with white soles. Thank you for your support. Our uniform expectations are attached.

Attendance

As the summer approaches we are receiving many requests regarding family holidays in term time. All absences in term time are unauthorised, and any absences of 5 consecutive days will be referred to the local authority. This referral can carry a fine for each parent, per child.

As you will be aware, any absence at any time of year, impacts on your child’s progress and attainment.

Things to Do

Attached to this newsletter are flyers detailing some local events. One is a Course for parents about Money Management and the other is details of Happy’s Circus who is coming to Whitehills Primary School on Wednesday 22nd and Thursday 24th May.

Photography in School

We regularly take photographs of the children attending our school as part of our public duty. We may use these images in our school prospectus and in other printed publications that we produce.

Photographs of the children are used for their learning experience and to show educational activities and achievements. Photographs will be displayed in the school, in newsletters, on the school website and on social media. We may also make video or webcam recordings for educational use.

Occasionally the media will take photographs or film footage of a school profile event. Pupils will often appear in these images.

As a school we are aware that it is essential that photographs are taken and stored appropriately to safeguard the children in our care. We take our duty of care towards our school community very seriously. It is of our utmost importance.

If you have any safeguarding concerns regarding personal images and information being displayed, please do contact the school so that we can respond appropriately.
