

## Literacy

The children will start learning phonic sounds and how to blend simple CVC words. We will start to learn how to hold a pencil correctly and how to form letters using the Kinetic letter scheme. We will write initial sounds of words and start to write CVC words.

## Maths

The children will match, sort and compare amounts, using different resources. We will then move onto learning numbers 1-5, comparing the numbers, thinking about how we represent the numbers up to five and learning how to subitise. Towards the end of the term we will learn how to add one more and one less up to 5.

## Communication and Language

We will be learning traditional tales so that we can retell the stories to our families at home. We will be talking in groups about what we like and dislike so we can get to know each other.

We will practice talking in full sentences and listening to adults and what they say to us.

We will join in with stories with repeated refrains and use adjectives to describe characters.

# Reception Curriculum Map

## Sept 2020

## Traditional Tales

## Understanding of the World

We will look at recipes and how to make Gingerbread Men, we may also make and decorate our own Gingerbread men. The children will look at how to make a strong bridge for the Three Billy Goats and why the houses of the Pigs blew down. We will talk about our school value of Compassion and learn the name of our class Saint.

## Physical Development

We will look to see how the children move and how they can climb using the equipment. We will also see how they throw and catch. The children will be looking at Real PE units, concentrating on balance and coordination. We will be learning how to find a space and how to play some games as a class.

## Personal Social Emotional Development

We will learn the rules and routines of coming to school and make friends with our class mates. We will get to know our adults in EYFS. We will get to know Boris the Robot in our SEAL sessions and start to think about how to be kind to others.

We will practice sharing and taking turns using board games in small groups.

## Expressive Arts and Design

We will be painting pictures of ourselves. We will also collage houses for the three little pigs to live in and design a gingerbread man for the fox to eat. We will also look carefully at pictures of bears and use different media to copy the pictures.
