

NEWSLETTER – 25th May 2018

GDPR

From today, 25th May, a new regulation comes into force. The General Data Protection Regulation is a new law regulating the collection and processing of personal information.

We have produced a statement which we have attached for your information at the back of this Newsletter.

Fitness Devices

As we encourage children to be healthy and as mentioned in previous newsletter, can we ask that the children do not wear their Fitbits or any other fitness tracker, to school. This prevents them getting lost. Another trend seems to be Rubix Cubes and slime. Can we ask that children do not bring these into school as they are causing a few issues. Thank you in advance for your support.

Uniform

When our children are out and about, the public often comment on, not only their behaviour, but their smartness in their school uniforms. We are very proud of this and appreciate that you observe our uniform policy. However, can we ask that you do not send your child to school in trainers, ankle boots and canvas shoes, especially those with white soles. Please note that culottes are now part of the uniform. Thank you for your support.

Attendance

As the summer approaches we are receiving many requests regarding family holidays in term time. All absences in term time are unauthorised, and any absences of 5 consecutive days will be referred to the local authority. This referral can carry a fine for each parent, per child.

As you will be aware, any absence at any time of year, impacts on your child's progress and attainment.

Congratulation to Class 1 St Claire who have maintained 99% this week.

Memory Tree

As you may be aware, there are a number of children in our school family, who have experienced the loss of a significant member of their family. As you can imagine, any loss of a family member is devastating to any person, but especially a child. As part of the grieving process the children are open to talk to any member of staff and we engage with other specialist agencies to help with the process.

Wyvale Garden Centre in Harlestone Firs has donated a Silver Birch tree which we are hoping to plant. This will be a focal point for the children, a place the children can visit and take some time out to reflect. We will also provide coloured ribbons for the children to tie on as a small gesture of prayer and reflection. It is also our aim to obtain a donation of a bench from one of the local companies so watch this space for an update and a picture.

Year 3 Grendon Trip

On Thursday 24th May, Year 3 experienced life in the Stone Age on a trip to Everdon Outdoor Learning Centre. We immersed ourselves in prehistoric times by hunting for our lunch with bows and arrows, building a den, getting muddy with wattle and daub and making ancient art. We even had time to play games and make some sparks fly! We all had great fun and it was a fabulous way to celebrate our Stone Age learning this term.

Year 6

SATs - On Monday 14th for 4 days, our Year 6 children joined thousands of other children across the country to participate in SATs week. On behalf of all the staff, we wanted to say thank you so much for all of your extra hard work they put into this term and how well they received these statutory tests. By attending SATs clubs, sharing a joke over breakfast in the dining hall and even going for a 9am run - an incredibly successful week in terms of your attitude and behaviour was achieved by all. Thank you.

Athletics

On Friday, 11th May, Mrs Coe and Mr Reid took 20 Year 6 children to Moulton College for an Athletics event. The children were fantastic and gave it their all in the running, jumping and throwing events. Some children gained their personal achievements were from Lackshana, Isabelle and Rosie who all won their heats in the 70m sprint and our A Team who won the Relay in an extremely nerve-racking race!

Thank you to the following Year 6s: Rosie, Lackshana, Isabelle, Naomi M, Kacie, Naomi H, Lillie P, Emily, Lilly J, Sophie, Joe, Tyler, Sam, Gideon, Joshua, Reagan, Hayden, Wasif, Jakub and Joseph for representing our school so successfully.

Poetry Corner

Mrs Coe's group have used the poem 'I Took the Moon for a Walk' to create their own poems this week. This has helped them experiment with language and will be useful when focusing on writing descriptively after half term. Attached is a small sample of some of the poems. This is a wonderful example of descriptive writing and showcases the talents of our pupils. Enjoy!

Fundraising

Over the last couples of months, we have organised some fundraising events which, once again, you have supported.

Money raised:

Sports Relief Sponsored Runs - £580.92

French Breakfast - £173.41

Mufti Day - £253.93.

Big Fun Quiz - £40

We very much appreciate all your support of our school events and thank you for your generosity.

Christian Aid Worship

Today our worship was led by Year 4. It highlighted Christian Aid Week and was very enjoyable. The theme this year is "Small Change to Change Lives" and we asked the children to bring in any spare/loose change which the children have laid out in the Chapel in the shape of a cross. This picture really does not do this display justice but it was stunning! Well done everyone! We raised an amazing £266.76!

Half Term Football Camp

Football camp - 10am till 2pm. Wed 30th May - Fri 1st of June. £25 for the three days or £10 per day. 3 day participants will receive a football ball, all participants will receive a medal plus the chance to win a host of other prizes. To book please email premiersoccer@sky.com child's name and days attending.

Year 6 Poetry Corner

I took the Wind for a Waltz

Josie-Mae White

I took the Wind for a waltz in the light
it waltzed beside me before it became night.
I made sure my hair was held back tight
when I took the Wind for a waltz.

I brought a coat as I was told
before the wind lost control and made me cold.
As we passed the market where toys were being sold
when I took the wind for a waltz.

We walked through the swaying trees,
as the wind blew an ever so gentle breeze,
beyond the forests we could see silent seas.
When I took the Wind for a waltz.

Over the mountains we did go
which were topped with shimmering, brilliant-white
snow.

In my wellies the frost touched each and every toe
when I took the Wind for a waltz.

When we were high as high can be
in the blue, cloudy sky you flew along with me.
We stared at each other in pure glee!
When I took the Wind for a waltz.

The wind became strong and raced ahead,
I think it was almost time for bed.
Our favourite story would be read
When I took the Wind for a waltz.

Through the doors, eventually we leapt
And into my room I quietly crept
As I climbed onto my cosy quilt and slept
When I took the Wind for a waltz.

Summer Fete

FOAS are organising our Summer Fete to take place on Saturday 7th July. Attached is an application form for completion if you wish to book a stall for the day.

Dates for the Diary

June

Mon 4th	School Closed - Training Day
Tues 5th	Year 6 Residential to France
Tues 5th	School Opens
Fri 8th	Family Worship led by Class 4 St Cuthbert Year 6 Residential return
Mon 11th	Choir visit to Peterborough Cathedral

I took the Stars for a Walk
Gideon Asare

I took the Stars for a walk last night,
they followed behind like an obedient kite
There wasn't an asteroid or black hole in sight
when I took the Stars for a walk.

I carried a camera just in case
a meteor came from out of space
and obliterated without a trace.
When I took the Stars for a walk.

I warned the stars to rise a little higher,
so they wouldn't get caught up on a temple of Maya
as the cats of the town purred like a choir
As I took the Stars for a walk.

Emily Tamagni

I took the Doves for a wonder last night
we stood at the height of a bridge which was alight
by the center of the moon's ridge taking flight.
When I took the Doves for a wonder.

I carried several of the few that were tired,
we passed a shadow of a man who had recently
retired.
Up above the others, strong and graceful, were
admired,
when I took the Doves for a wonder.

They carried me 'round the teetering towers
We must have been there and soared for hours.
Even though, every now and again, were some
exuberant showers,
when I took the Doves for a wonder.

However, to my demise, I heard an awful lot of
cries,
They must leave me and fly home with sorrowful
eyes,
my heart will throb forever but I will never forget
these allies.
When I took the Doves for a wonder.

I took the Doves for a Wonder
