

## All Saints Newsletter March 2019

### Cold Weather

As the weather this time of year is unpredictable, please could you make sure that your children have their warm waterproof coats, hats, scarves and gloves with them. Unless it is raining **heavily**, the children are outside for breaks and lunchtimes. Please make sure that all these items are clearly named so that they do not end up in our lost property boxes.

### World Book Day

As part of our World Book Day celebrations there had been some strange things happening in school. All of our colouring crayons, Reception classes' chairs and Year 2's glue sticks quit! The children had a fabulous time writing letters in the role of stationery, explaining why they had quit. These letters were then posted around the school. What brilliant, entertaining and funny writers we have here at All Saints School!

### LEGO Creative Workshops

On Wednesday 13<sup>th</sup> March Years 1 and 2 participated in a Lego workshop and made some fantastic Lego houses. We had to think very carefully about where we placed our bricks, the size of the bricks we used as well as making it look fantastic. We then wired our houses up to make a full circuit to light them up and just to make sure they worked turned out all the lights to see our little village illuminated.

### New Website

After Easter we will be launching of our new website which will feature aspects of the school and school life. It will, of course, include photographs of our pupils because we want to share with everyone, their contribution, determination and educational achievements. We will aim to keep the website more up to date and will continue to populate it with further information. One we launch we would love to know what other content you might appreciate. We are doing this as part of our public task, so we need to make you aware of this information in line with GDPR 2018. If you have a safeguarding concern regarding pupil information that we are using on our website, please do let us know.

## **School Uniform**

Our uniform provider, Price and Buckland, have been making changes to their website to create an improved online shopping experience for our parents. In order to implement this new setting, as part of the changeover, they will be deleting all our customer information so you will need to re-register. Changeover day is next Thursday, 21<sup>st</sup> March when the old website will cease to function.

The new website address from Friday 22<sup>nd</sup> March is:

[www.pbuniform-online.co.uk/allsaintsprimary](http://www.pbuniform-online.co.uk/allsaintsprimary)

Once you are on the website, follow the instructions to order uniform and re-register at the end of your transaction.

It is important that all parents register for school uniform as we hold very little stock in school.

Can we also remind you to put your child's name in all their uniform, especially cardigans, sweatshirts, P.E. kits and P.E. bags.

## **New FOAS Committee**

On Thursday 28<sup>th</sup> February, FOAS held their Annual General Meeting where a new committee was appointed.

Thank you to the retiring committee members for all their hard work and commitment in raising much needed funds for our school. Thank you also to all our parents for your generosity and support of all the fund raising efforts,

## **Easter Tombola**

This will be our new FOAS committee's first fundraising event which you will have received a ParentMail about. There will be a mufti day this Friday, 22<sup>nd</sup> March. The children are invited to dress in their own clothes for a donation of chocolate, e.g. Easter eggs, chocolate bars, bags of chocolate buttons, etc. On Friday 29<sup>th</sup> March FOAS will be holding a chocolate tombola and hamper raffle.
