March 2019 (a)

March 13th – Town Cross-Country Championships

Due to expected winds of 50mph, this event was postponed to Friday, 29th March in order to provide a safe experience for all children. We hope for some sunshine on this day for the 24 competitors from Year 4 to Year 6 and wish them well.

Young Leaders

Let me introduce you to our Young Leaders. Every Monday break time with Mrs Page, they learn a new game to deliver to our children in EYFS and KS1 during their lunchtimes. This is a big example of children leading sport within the school. We have been immensely proud of their enthusiasm and dedication so far and are very pleased that they like their hats!

New PE equipment

In order to provide a variety of sporting opportunities, we have purchased some new equipment this term. Year 6 were very excited to be trying archery and our table tennis equipment can be used in the classroom!
